

SLIDE FLOOR LAMP 16

The Slide Floor Lamp 16 presents our classic cone pendant atop an adjustable telescoping brass armature that allows for a range of elevations. Anchored by a custom, hand cast concrete base, the Slide Floor Lamp provides a sense of space by casting a welcome and diffused light. The cloth covered shade presents a classic geometric silhouette. Dimmable socket included.

CARE | Clean lamp shade with compressed air, using a dry microfiber cloth or lint roller if necessary. Brass components can be cleaned using a soft, dry dust cloth, using gloves to protect wax finish.

DIMENSIONS

16.5" x 16.5" x 48.5-70"
19 lbs
