

ADA CORTEN 9

Ada Corten uses honest materiality to complement the formal simplicity of our Ada Sconce, creating a weathered and timeless fixture that adds a touch of warmth and utility to any space. Suitable for exterior use.

CARE | The beauty of Corten Steel is that the outer layers of rust protect the inner layers, though some degree of aging is inherent to the material, especially in saltwater environments. Our Ada Corten Sconce comes pre-weathered with a lacquer finish making it also suitable for interior applications. Clean with soft micro fiber cloth.

DIMENSIONS/ WEIGHT

5.75" x 3.5" x 9", 2.5 lbs

BULB/ TECHNICAL SPECS

Warm-White Integrated LED 9W
700 Lumens standard

COLOR TEMPERATURE

2700K
90+ CRI , LED lifespan 50k hours
3500K Upon request

CERTIFICATION

UL, cUL
Damp Rated, ADA Compliant
Wet Rated upon request
CE Listed for indoor use upon request

FINISH OPTIONS

Corten Steel

VOLTAGE

120V
220V Upon request

J-BOX SPECS

Connects to Sconce Junction
Box with wall cutout under
4" DIA

DIMMABILITY

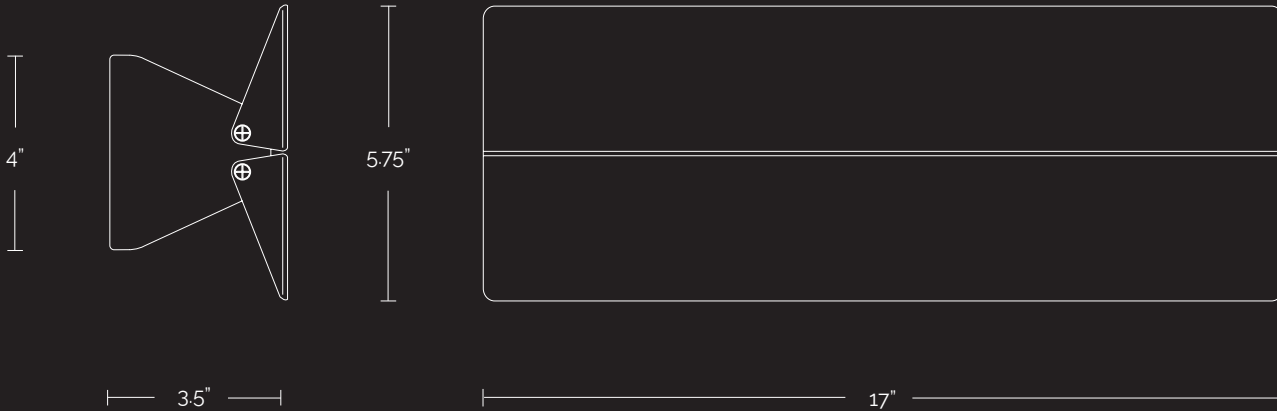

Lutron Recommended:
Maestro pro LED+ (MA-PRO-XX)
Sunnata pro LED+ (ST-PRO-N-XX)

RS Tested Dimmers:
(use all with Min Load Capacitor LUT-MLC)
Maestro (MACL-XXXX)
Diva (DVCL-XXXX)
