

## ADA WAXED BRASS 9

A classic sconce with adjustable reflectors in a living waxed brass finish. Depending on use and location, the finish will continue to age and develop a rich patina. The shades are mounted on adjustable friction hinges that allow you to direct the wall-washing light in a variety of angles. The Ada Sconce gets its name from the Americans with Disabilities Act (ADA), which dictates that sconces in hallways must not protrude from the wall more than 4". Suitable for interior or exterior use.

**CARE** | A "living finish," waxed brass will slowly patina over time. Wax can be reapplied to slow aging based on preference and use. Should be cleaned with a dry microfiber cloth only.

### DIMENSIONS/ WEIGHT

5.75" x 3.5" x 9", 1.5 lbs

### BULB/ TECHNICAL SPECS

Warm-White 7W Integrated LED  
 2700K, 90+CRI, 800 Lumens  
 LED lifespan 50K hours  
 3000K LED option available

### CERTIFICATION

UL, cUL  
 Wet Rated Upon Request  
 ADA Compliant  
 CE Listed for indoor use upon request

### FINISH OPTIONS

Waxed Brass Shades, Black Body

### VOLTAGE

120V  
 220V Upon request

### J-BOX SPECS

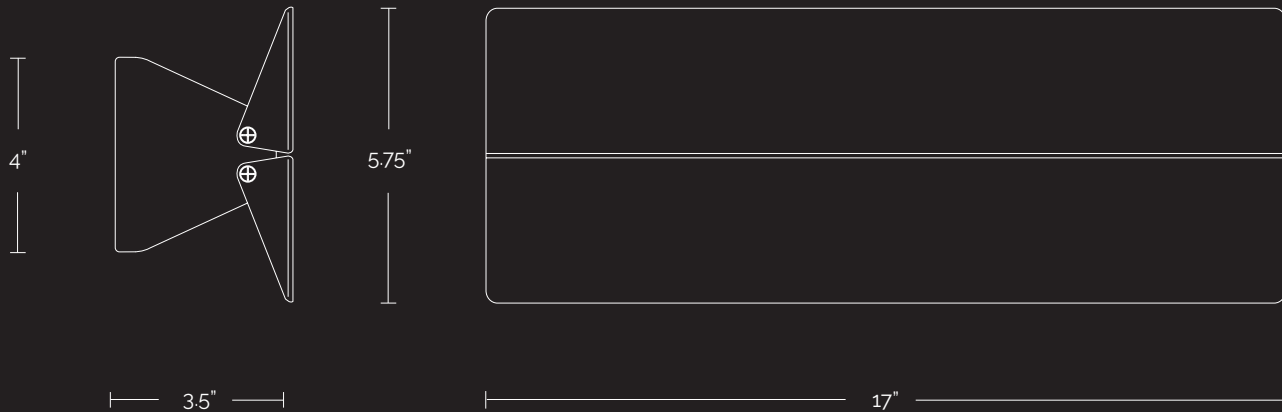

Connects to Sconce Junction  
 Box with wall cutout under  
 4" DIA

### DIMMABILITY

Lutron Recommended:  
 Maestro pro LED+ (MA-PRO-XX)  
 Sunnata pro LED+ (ST-PRO-N-XX)

RS Tested Dimmers:  
 (use all with Min Load Capacitor LUT-MLC)  
 Maestro (MACL-XXXX)  
 Diva (DVCL-XXXX)
