

CORD SCONCE

An evolutionary descendant of Jean Prouvé's Potence Lamp, the Cord Sconce shows us how simple a light can be. A pivoting arm and hand cast ceramic socket are held in place by the tension of a cloth-covered electrical cord. Perfect above a bedside table, the Cord Sconce stores flat against the wall and can be swung out to provide light where and when you need it. Available in hardwired or plug-in versions, 18", 24", and 36" lengths.

CARE | Clean with soft microfiber cloth which can be dampened if necessary.

DIMENSIONS/ WEIGHT

4.5" x 18" x 6"
4.5" x 24" x 6"
4.5" x 36" x 6"
2- 2.5 lbs
