

GRAIN BARREL 9

Our Grain Barrel 9 is formed using a maple mold that features vertical wood grain, a traditional technique of wooden barrel construction. Simple in shape and visually light, the Grain Barrel's sides reflect and illuminate the vertical wood grain pattern imparted on the shade during spinning. An illuminated glass socket suspends the pendant and provides a subtle upward highlight.

CARE | Clean with soft microfiber cloth which can be dampened if necessary.

DIMENSIONS/ WEIGHT

9.5" x 9.5" x 13", 3 lbs

DROP HEIGHT

6' Cloth-Covered Cord standard

BULB/ TECHNICAL SPECS

E26 G25 LED 6W DTW bulb
