

GRAIN DRUM 33

The largest fixture of our Grain Family is the Grain Drum 33, pushing the form to the largest size possible with a standard 48" spinning blank. Using a method similar to how drums are made, we cut one long board of maple into pie shaped staves and glued them up in a circle to create the hollow mold. The Grain Drum 33 is illuminated by four bulbs that are concealed behind a wood grain reflector, giving the impression of standing under an eclipse.

CARE | Clean with soft microfiber cloth which can be dampened if necessary.

DIMENSIONS/ WEIGHT

33" x 33" x 13.5", 23 lbs

DROP HEIGHT

6' Cloth-Covered Cord standard

BULB/ TECHNICAL SPECS

E26 G25 LED 7W Frosted Included
2700K 90+CRI
