

LONG HOOD CHANDELIER

An asymmetrical wooden frame gives the Long Hood Chandelier a dynamic impression from every angle. Compound mitered lap joints are hand cut in our studio to create the triangulated armature. Matte white polyethylene shades are attached to vertical white oak or walnut spines with nylon bolts, and a brass wiring hub finishes the piece for a sophisticated and modern look.

CARE | Clean with soft microfiber cloth which can be dampened if necessary.

DIMENSIONS/ WEIGHT

60" x 28" x 15", 18 lbs

DROP HEIGHT

Rigid Tube:

5", 8", 14", 26", 38"
