

PEARL 6

Pearl 6 continues our exploration of the half-square, half-circle Lamé Curve at a larger scale. This pleasing shape is geometric with its plotted arcs yet organic in its roundness, with parallels to natural forms. Made of blown white glass, Pearl 6 is at home gracing rooms as a flush mount ceiling fixture or making a statement as a wall mounted sconce.

DIMENSIONS

5.625" x 5.625" x 5.625"
