

SLIDE SCONCE 16

The classic geometric shape of our Slide Sconce is perfect for punctuating any space. The linen-clad shade is supported by an elegant bent brass arm through a pivoting joint that allows the Slide Sconce to be set at a variety of angles. Unaltered by hardware or finials, the shade comes to a refined point, creating its distinct and refined silhouette.

CARE | Clean lamp shade with compressed air, using a dry microfiber cloth or lint roller if necessary. Brass components can be cleaned using a soft, dry dust cloth, using gloves to protect wax finish.
